Introduction

Churwell Out of School Group is a community run not-for-profit organisation set up in March 2002 to increase the availability and choice of childcare in the area. Our provision includes:

PLAY@Churwell

- 60 place before and after school club including pick up from Churwell School and Asquith School;
- Nursery wraparound care for Churwell Nursery; and
- 60 place holiday playscheme for children aged 3 to 12 years in the wider Churwell / Morley Community.

Our aim is to provide a high quality, safe and caring environment that provides opportunities for stimulating play, for children aged 3 to 12 years of age, before and after school or nursery and in school holidays. We will achieve this aim through:

- a team of high quality staff of whom the majority will have, or be working towards, a recognised playwork or childcare qualification;
- offering a variety of activities to suit the age range and needs of the children;
- using premises that are safe & secure and meet registration standards;
- regular monitoring by a voluntary management committee;
- working in partnership with school, parents and carers to help meet the new Ofsted requirements for Early Years Foundation Stage (EYFS) curriculum.
- Participation in Leeds Quality Assurance scheme.
